Demo Program Conditions

- Only the above listed vacuum configurations are eligible for the demo program.
- No additional discounts apply to these demo configurations.
- Demo units DO NOT qualify for or count towards quantity discounts.
- Demo vacuum freight will be prepaid only if the demo accompanies an order that already qualifies for free ground freight per existing account terms. If the order does not qualify for free freight before the addition of a demo vacuum, the Distributor is responsible for all freight charges on demo vacuums.
- A Distributor can order a maximum of two (2) demo units per vacuum model during a calendar year.
- Any deviation or exception requires the approval of the Manufacturer's Representative for the account.
- Distributors with multiple locations may purchase against the program for each individual location.
- Any request that does not reflect the spirit of the program should be referred to the ProTeam Denver Sales office.
