### Demo Program Conditions

- Only the above listed vacuum configurations are eligible for the demo program.
- No additional discounts apply to these demo configurations.
- Demo units DO NOT qualify for or count towards quantity discounts.
- Distributor's existing freight policy applies to demo vacuums. Customer responsible for all freight charges for demo vacuums shipped to Alaska, Hawai'i or U.S. Territories.
- A Distributor can order a maximum of two (2) demo units per vacuum model during a calendar year.
- Any deviation or exception requires the approval of the Manufacturer's Representative for the account.
- Distributors with multiple locations may purchase against the program for each individual location.
- Any request that does not reflect the spirit of the program should be referred to the ProTeam Denver office.
