WITH CORDLESS INNOVATION

### PRODUCTIVITY

Give the user the most efficiency and cordless freedom with the industry leading runtime and no time wasted managing cords.

### LABOR SAVINGS

30% More Productive. Given a \$13/hr average wage, save \$28K/yr for every 100,000 sq. ft. using a cordless upright.

### SAFETY AND TRIPPING HAZARDS

Eliminate safety and tripping concerns when you go cordless. Clean anytime, anywhere, without safety concerns.

## Looking for ways to do more in less time?

The **FreeFlex Cordless/Corded Upright Vacuum** delivers:

- Labor Savings
- Eliminates Cord Management Tasks
- Reduces Trips & Falls from Cords
- Easy to Use

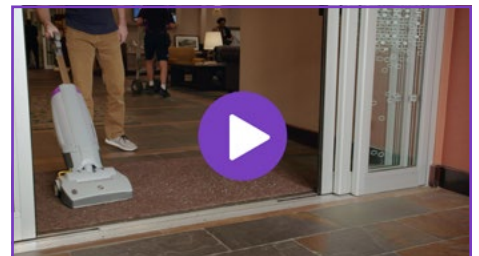

### Flexible Power

The cleaner has the option to go cordless or plug into an outlet when needed

- **Lightweight** – weighs only 17.6 pounds with battery (13.9 pounds without) which means its comfortable and easy to maneuver
- **Ready to Operate** – With no tools required to assemble, this upright is ready to use out of the box
- **Low Profile** – Compact design lays flat to clean under furniture and obstacles
- **Multi-Year Warranty** – Two-year warranty on motor, battery, and charger, limited lifetime warranty on molded body parts
