

The Right Tool for the Right Job

Tools 

 ProTeam®

Having the right tools for the right job can make all the difference.

Vacuuming is a proven faster, healthier and more efficient way to clean compared to mopping or sweeping. Add the right tool to your vacuum and get even better cleaning results.

Whether cleaning large areas or small, hard surfaces or carpet, ProTeam vacuums save time and money. Use one machine with our versatile tool options to accomplish more in less time while conserving energy and improving Indoor Air Quality. These versatile tools can be used for general cleaning, under and around furniture, detailed cleaning of vents and rafters and specific pipe cleaning applications.

A cleaning professional is only as good as the equipment. Even when using a high-efficiency ProTeam backpack vacuum, a worker can still improve productivity & pickup by opting for a more effective floor attachment & wand.

High Dusting Tool Kits

Provide 10-12 feet of above-the-floor cleaning

ProTeam vacuums are designed to have a high level of filtration and when a high dusting kit is added, many difficult above-the-floor cleaning solutions are made available to the end-users.

Part No.	Product Name	Kit Inclusion	Product
107598	Straight Wand High Dusting Kit	<ul style="list-style-type: none"> • Mesh Storage Bag • Three-Piece Straight Friction Fit Wands • Straight Wand with Hose Connection Ridge 	
107599	High Dusting Kit with Tool	<ul style="list-style-type: none"> • Mesh Storage Bag • ProBlade® Hard Surface Tool • Three-Piece Straight Friction Fit Wands • Straight Wand with Hose Connection Ridge 	
107600	High Dusting Curved Wand Kit	<ul style="list-style-type: none"> • 45° Bend Wand • 135° Bend Wand 	
107601	Deluxe High Dusting Kit	<ul style="list-style-type: none"> • Mesh Storage Bag • ProBlade Hard Surface Tool • Three-Piece Straight Friction Fit Wands • Straight Wand with Hose Connection Ridge • 45° Bend Wand & 135° Bend Wand • Wand Adapter 	

ProBlade Floor Tool

Boost vacuuming efficiency and worker satisfaction

ProBlade floor tool distributes suction evenly across its width for more efficient debris pickup and is available for carpet and hard surface. The straight telescoping wand quickly adjusts to be comfortable for users of various heights.

Carpet Floor Tools

Low and high pile options

Part No.	Product Name	Length/Width	Recommended Use	Product
107527	ProBlade Carpet Floor Tool	14"	Low to medium pile carpet, along baseboards and crevices.	
100083	Floor Tool w/Adjustable Nylon Brush	11"	Medium pile and berber carpet.	
100147	Floor Tool w/Scallops	14"	Commercial low to medium pile carpet and general cleaning.

107016	Xover® Floor Tool	14"	Improved suction performance and design for ease of use. Designed for low-pile commercial carpet and non-delicate hard floor finishes.	

Four ProTeam Tools for a Serious Clean

1. JetSweep Hard Surface Tool

Anyone who cleans large surfaces will love the JetSweep Hard Surface Tool with Nylon. Medium bristles provide a dust mop type application and the large, 20" cleaning path is ideal for hallways, classrooms, and in-between desks.

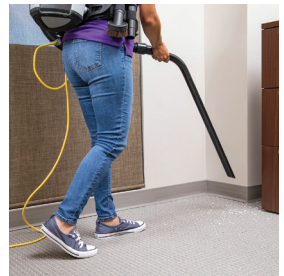

2. Paddle Floor Tool

This easy-to-use tool is great for hard-to-reach places. With the Paddle Tool, cleaners can stop moving heavy furniture or stretching to clean under it. The unique shape makes it easy to clean hard-to-reach areas under seats, desks, pews, bookshelves, stairs, and equipment.

3. Bulk Pick-Up Tool

Ideal for the service industry, the Bulk Pick-Up Tool can suck up larger debris like napkins or dropped food. Save your staff from having to crawl under tables and keep your restaurant looking clean and attractive.

4. ProDuster Sleeves

Perfect for cleaning offices, ProDuster Sleeves quickly and easily dust cluttered desks, blinds, computers, electronic equipment, and even plants. The ProDuster is safe for any surface, contains no oils or waxes, and won't streak or leave any residue.
